Dear Parents,

We are delighted to inform you about an exciting national-level science enrichment program “FUTURE SCIENCE CHAMP”, specially designed for students from Grade 6 to Grade 12.

This unique initiative offers students: Live online science workshops

Topics like Robotics, Astronomy, Creative Science & Careers in STEM

Certificates for all participants

Advanced rounds with medals and national recognition

Opportunity for top performers to visit prestigious science institutions such as ISRO, Nehru Science Centre, Visvesvaraya Museum, and even Singapore Science Centre

The program is conducted by reputed educational and research organizations in association with Savitribai Phule Pune University.

Duration: 5-day Online Workshop

Mode: 100% Online (Live & Interactive)

Fee: ₹700 only

We strongly encourage parents to motivate their children to participate and make the most of this wonderful learning opportunity beyond textbooks.

For registration and details, please contact the school or refer to the shared brochure/link.

Let us work together to nurture curiosity, innovation, and scientific thinking in our students.
